Objective

Aspiring MCA student and B.Sc. Computer Science graduate seeking opportunities in Data Analytics, Frontend Development, and Software Development. Dedicated to leveraging analytical and problem-solving skills to deliver impactful solutions and achieve professional growth in the technology industry.

Education

Master of Computer Applications (MCA)

Deogiri College

2025 – 2027 (Pursuing)

Bachelor of Computer Science (BCS)

MGM University, Chhatrapati Sambhajnagar

June 2022 – June 2025

Certifications

- KLIC Certificate in Java Programming – Maharashtra Knowledge Corporation Limited (MKCL)
- GenAI Powered Data Analytics Job Simulation, Forage (June 2026) – Hands-on experience in data analysis

Technical Skills

Programming Languages: Python, JavaScript

Web Technologies: HTML5, CSS3, React.js

Database: SQL

Data Analytics: Data Cleaning, Data Visualization, Exploratory Data Analysis (EDA)

Core Computer Science: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP)

Tools & Platforms: GitHub, VS Code, MS Word, Excel, Powerpoint

Internship

Web Development Intern – Infinity Tech Resources

Remote | Jan 2025 – April 2025

- Led a team of 4 interns for completing a web development project using HTML, CSS, and JavaScript.
- Created project milestones and assigned tasks based on each member's skills.
- Designed responsive user interfaces and ensured cross-browser compatibility.
- Coordinated weekly progress meetings and resolved technical challenges collaboratively.

- Tools Used: Wix

Projects

Student Productivity Analysis

Developed a data analytics project on 20,000 student records to analyze the impact of digital distractions on academic performance using EDA, statistical analysis, and visualization techniques.

Tools: Python, Pandas, NumPy, Matplotlib, Seaborn, Google Colab

College Admission Website

Provided exceptional customer service to prospective students, parents, and faculty, resolving enquiries and concerns in a timely manner. Collaborated with cross-functional teams to achieve admissions goals.

Soft Skills

Leadership: Led a team of interns through a collaborative web development project, overcoming technical challenges, assigning tasks based on evolving requirements, and ensuring on-time delivery of each phase.

Languages

English, Marathi, Hindi
